## Paddleball Profile

Jack Barenfanger has a ready explanation about his fascination for the sport of paddleball.

Barenfanger, of Ann Arbor, Mich., said:

“What boy doesn’t like to hit a ball with a stick! Lots of fun. Lots of exercise. Lots of friendship.”

He began playing in 1975 “when a friend taught me.”

Barenfanger, a textbook manager, said he won a first in Men’s C doubles in a state tourney.

Any suggestions on tournament improvements?

“No,” said Barenfanger. “I think they are run very well considering the number of people who play several divisions.”
